Geneva Concours d'Elegance

"To produce the best classic, exotic and race automobile event that showcases the heritage, artistic and engineering significance of the automobile" was the mission statement of the 2010 Geneva Concours d'Elegance.

Taking advantage of the special display area set aside for car clubs and their collector cars were Phred Hollister, Harry Klemek & Family, Steve Stevenson and Keith & Judy Rogers. Now in its 6th year, the Concours was lined with spectacular cars which made the walk through more than a rewarding experience. Adjacent to the Concours was the collector car club area which also enjoyed hundreds of spectators full of interest, questions and appreciation for the cars on display. The Geneva Concours d'Elegance experience was truly a great way to spend the day and be a small part of a much larger and historically significant automobile event. As for next year, sign us up!

Russell Harley 5K Walk for Pancreatic Cancer

By Dan Harley

The second annual Russell Harley 5K Walk for Pancreatic Cancer took place Saturday, August 14th. at the Fabyan Forest Preserve in Geneva. Starting at the registration shelter, the walk proceeded north to the bridge where participants crossed the Fox River. The walk continued through the forest preserve eventually returning walkers to the starting point at the East side shelter. The early morning weather was warm and sunny making it a perfect day for the walk. More than 100 friends and family members were in attendance along with several Model A's. It was a morning set aside to remember Russ Harley and to raise awareness of and funding for pancreatic cancer research. To that end, it was a great success, raising more than \$3500. We hope to see this event continue to grow each year and look forward to seeing you again in 2011. Thank you for your support

CORN FEST 2010

The "noon whistle" was spectacular. Makes my mouth water for another deep-fried onion and a couple Pronto Pups!

COMING UP

- 9/12 BURLINGTON CAR SHOW - FEATURES A'S & T'S
- 9/18 INTERNATIONAL MODEL "A" DAY
 ROAD TRIP TO STARVED ROCK 
- 9/19 CANTIGNY CAR SHOW, WINFIELD
- 11/7 TURKEY ROAST, KANGLAND HIGH SCHOOL

LABOR DAY PARADE

Here's the lineup for Maple Park's Labor Day Parade or is it really for the "Kid Tested" hot dogs the Winslow's were serving up at their home just before the parade? For our money, as great as the parade was, the trophy goes to those hot dogs and the Winslow style hospitality.

Bonnet Jewelry

By the third decade of the 20th. Century, businessmen took to the road in this 1936 Buick Model 46 Business Coupe.

This hood ornament, actually a radiator cap, was zinc die cast, nickle plated with a copper plated face. Shown here in its second year of production this automobile was named after the city in which in was produced. Name the car.

INTERNATIONAL MODEL "A" DAY

September 18, 2010
 Road Trip to Starved Rock
 Details at next meeting

Fox Valley Regional Officers
