

Fox Valley Chapter President, Bob McMahon presents framed MARC mileage certificates to Judy and Keith and Marilyn and Butch. Both driving teams clocked more than 5,000 safe Model A miles in a single vehicle.

For the Rogers, the award was a given. They live furthest east of all Club members and most driving events are to points west, where the traffic is more Model A-friendly. Butch has nursed many Model A's to the 5,000 mile mark. The one with all the horns (Marilyn's favorite) is his current driver ... perhaps because of Aurora's stand against the Slant Window's flag-waving Uncle Sam radiator mascot?

## Four Scholarship Winners Named

Fox Valley's Scholarship committee (Frank Nemechek, Gladys Brunett, Phred Hollister, Betsy Molson, and Keith Rogers) have selected the graduating high school seniors who will receive our Club's \$500 tuition grants. The four are headed for higher automotive learning, two to Waubensee and two to Elgin Community College.

Tyler Beckman, Batavia High School; Jeremy Hardman, Geneva High School; Garrick Taenzer, St. Charles East High School; and Matthew Pezzuto, St. Charles North High School will have the tuition check sent to their college. The Club will also pay for MARC memberships for each of the winners so they can receive *Model A News* as well as *Fox Tales* for at least a year. We may get them qualified for a free subscription to *Secrets*, *The Vintage Ford Speed and Sport Magazine*, too.

The Fox Valley Scholars have been informed of their good fortune and have been invited to join us at our tours and events, starting with the May meeting at Leroy Oakes Forest Preserve. We've also invited their parents to come along and enjoy the fried chicken! One Scholarship committee member even offered to allow the kids a chance to take his Model A for a drive!

There's no hiding our intentions: we want another generation of auto enthusiasts to love our little Fords!
